Per the provisions of S-80-09-01 the funds advanced to acquire EMS equipment will be paid back in total when permanent financing has been arranged. This is anticipated in the first quarter of 1982.

Specific terms of the long term financing will depend upon competitive bidding processes.

Madam & Gentlemen:

The undersigned has been informed that the newest version of the Animal Control Ordinance still does not address the payment of dog licensing fees required by IC 15-5-9-1. These fees are required to be collected by the Township Trustee under the aforementioned statute, and it would seem that in the interest of the citizens of the City, they should not be inconvenienced by having to go to two different offices to license their animal, and that some simple procedure could be written into your Ordinance for the collection of both fees at one location and then distribution of the funds at appropriate intervals.

I would hope that you would take this minor problem into consideration when you review the Ordinance.

Very truly yours,

ALLEN COUNTY ATTORNEY
